Scene 3: Lifeguards | Flirting With Fire

Date of Production: 07/18/16

Its been a long hard hot day of protecting beautiful beaches and perfect bodies which means California's premier lifeguards need to unwind. After heating up by a bonfire and getting their fill of roasted wieners, super stud Sean Ford and uber twink Noah White sneak off to their tent to blow off some steam. After practicing their mouth to mouth the guys lifeguard shorts start tightening and filling with their engorging cocks. The boys prove they've got the lung power needed on the beach as they hardly come up for air while giving C.P.R to each other's cocks. Noah is surprisingly aggressive here and Sean Ford ain't complaining! After ordering Noah to "sit on my face" Sean gives him a mind blowing rim job as only a skilled lifeguard, good with his mouth can. This springs his tiny pink hole to life, winking and begging for cock. He sits on Sean's dick, relaxes and rides the waves of pleasure. Then in a welcome surprising turn of events, we see super twink Noah take control and dive into Sean's ass, eating and fingering before fucking it like a tip-top twinkie TOP! Both lifeguards are ready to blow their whistle, but Noah needs a dick in his ass to do it so Mr. Ford cums to the rescue! Then he shoots a life saving love shot all over Noah's face! The chemistry between these two is obvious and watching them take turns fucking is a true treat. What a day at the beach!

Scene 4: Lifeguards | Sex on the Beach

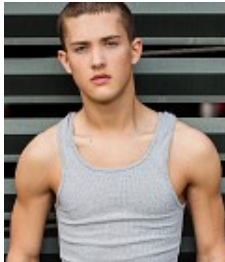

Date of Production: 07/21/16

It's a perfect beach day, so perfect all the guys can take it easy at lifeguard station lucky number 13. Cali's cutest lifeguards are chillin' and joking around about who has been sleeping with who. Never wanting to really admit their secrets since that could curtail their fun, the boys think it best to get back to making their rounds. Beautiful blonde Max Carter has been eyeballing sexy Sean Ford all day, he lets Sean know he has seen someone go into the canyon with alcohol. They should definitely check this out! When there's no one at the canyon and Max plants a nice wet kiss on him, Sean realizes the real reason Max has been wanting to get him alone. The thought of this blonde Adonis wanting him all to himself immediately makes Sean rock hard. Max knows just what to do in a situation like this, and the hottest outdoor blowjob session goes DOWN! Big dicks being blown in the breeze! Sean Ford has been on a sexual exploration lately and takes this opportunity to explore that DEEPER and gets his ass tongue fucked good. Max cant possibly stop there, the next logical step of course is plowing that pucker the best way possible, RAW! Grabbing Sean's lifeguard whistle around his neck, Max makes his way inside and just does not let up! He holds onto the whistle around his neck as he bangs him doggie style, and he holds onto his cock when he's got his legs in the air. Watching a newbie bottom cum with a cock in his ass is a true treat and this scene does NOT disappoint! The boys are obviously into each other and it shows when both boys shoot their young spunk on the bottom's tanned, toned swimmers body. Surfs up!
